**Title: Academic Coordinator****Anticipated start date:** August 1, 2025**Position Summary**

Springer faculty members are responsible for leading the growth and development of Springer students. Faculty members plan, execute, and differentiate instruction to ensure that students learn both content and effective learning strategies. The Academic Coordinator is student-focused and collaborates with faculty to ensure that effective strategies are implemented to support each student's academic success.

Job Goals

- Collaborate, observe, and implement the established curriculum
- Coach instructional staff to design, implement, and assess high-quality differentiated instruction for students
- Use technology to ensure data is complete for the student information system
- Develop meaningful relationships with students, families, and colleagues
- Embrace a team approach to supporting student learning through helping with strategic interventions and data analysis
- Contribute to the health and well-being of the broader Springer community

Preferred Qualifications

- Bachelor's degree or Master's degree in Special Education, Curriculum, or related field
- Three or more years teaching students diagnosed with learning disabilities.
- Demonstrated subject-area expertise in Reading and Math

Terms of Employment: Full-time, 12 months per year (school year).**How to Apply**

Qualified applicants should email a resume, cover letter and employment application (found on the Springer employment page) to dhoughton@springer-ld.org by July 15th. The subject line of that email should reflect the position title.

Springer School and Center considers all applicants for all positions without regard to race, religion, gender, sexual orientation, national origin, age, disability, marital or veteran status, or any other legally protected status.
