

Title: Therapy and Tutoring Associate

Reports to: Director of Growth and Enrollment

Anticipated start date: As soon as possible

About Springer

Springer School and Center is a caring community supporting students diagnosed with learning disabilities and their families. Springer serves the community through four pillars: Springer Lower School & Middle School, Springer High School, Springer Diagnostic Center, and Springer Learning Center. Springer faculty and staff embrace the organization's mission and incorporate the core values of student growth/development, staff expertise/development, partnership, communication, and stability in their daily work.

Position Summary

The Therapy and Tutoring Associate welcomes visitors and therapy and tutoring clients at Springer's North Wing reception area, providing support during arrival and departure. The role may also assist with answering phone calls and addressing visitor's questions as needed.

Job Goals

- Strengthen Springer's reputation as the primary resource for learning disabilities in the region.
- Answering client questions in person, by email or by phone
- Contribute to the team on how to strategically broaden Springer therapy and tutoring programming.
- Provide warm, empathetic communication for families to learn about Springer and available resources.

Required Qualifications

- Bachelor's degree.
- Experience managing adults and children.
- Strong communication and relationship-building skills with families.
